

Amira is a 12 year old girl who recently came to Canada with her younger brother and mother from Bahrain after her mother got a job in Canada.

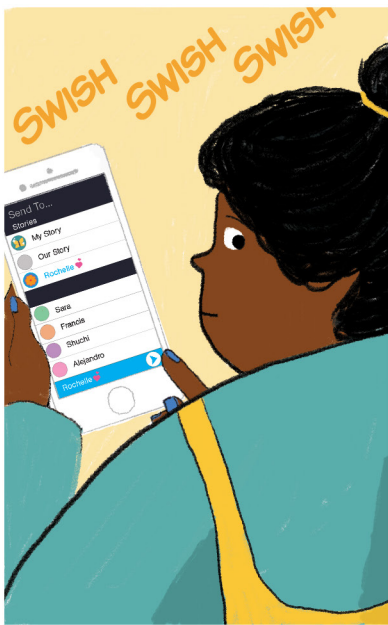

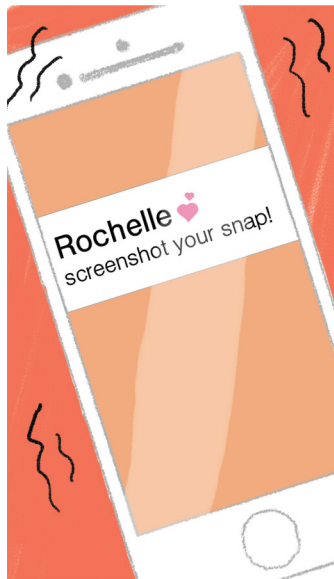

Amira lives in Mississauga, Ontario and is in the 7th grade. Amira and her best friend named Rochelle really like their small middle school.

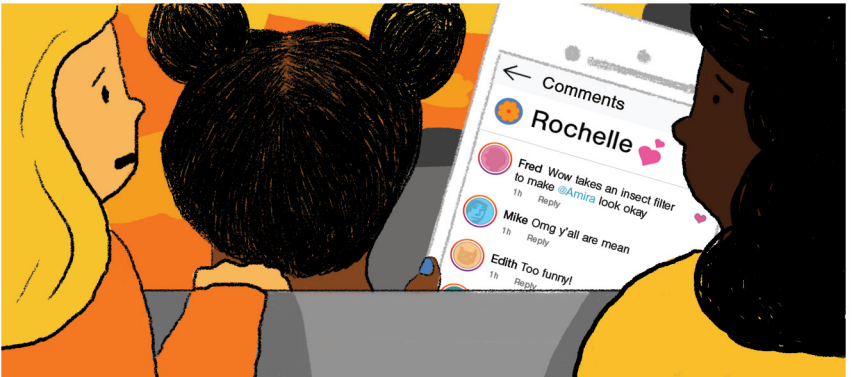

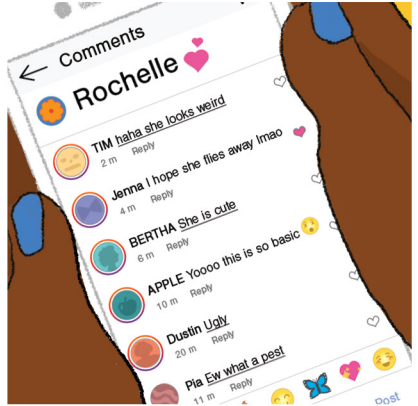

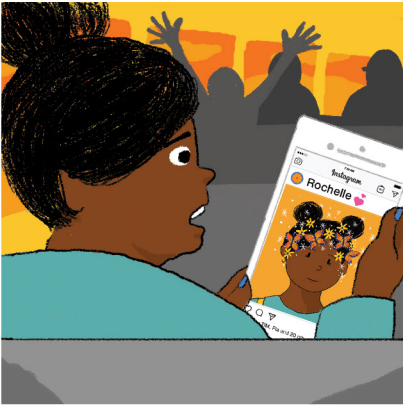

Amira has had a smartphone since she was 10 years old and is allowed to use her phone freely.

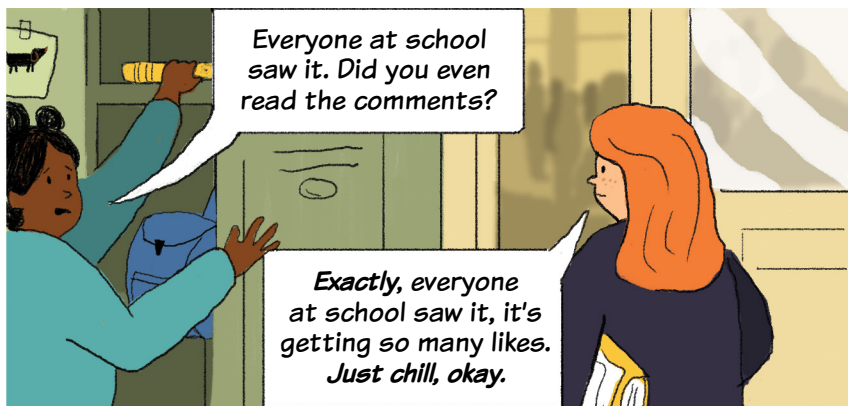

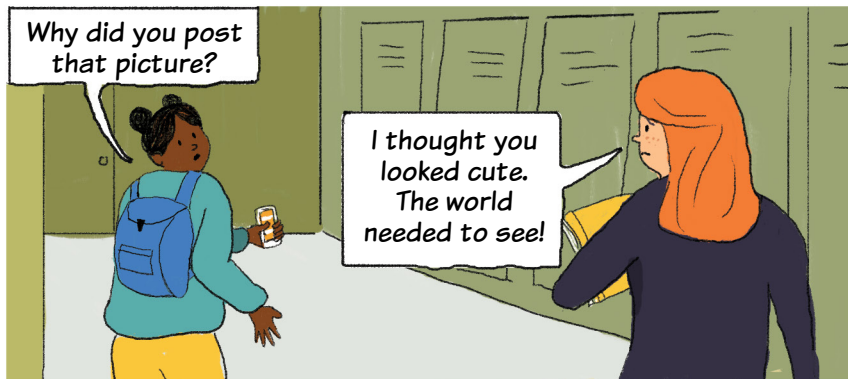

She however promised her mother she wouldn't use social media until she turned 13.

Follow along with Amira's cyberbullying story and help her figure out what to do!
